

# How to draw: **CARRIE**

**You will need:** A pencil, a piece of plain paper, an eraser, black marker pen and colouring pens. You should remember to draw lightly to begin with so you can rub out your rough lines easily.

Start by drawing Carrie's head. An oval shape with a square body underneath.

Under the square draw in the rest of her body. Add a circle to the left of the head. This will become her bow.

Draw in the details of the bow. Add a zig zag in the middle of the circle for her fringe. Be sure to include her arms by her side.

Finish her off by drawing in her face. An angry eye and a semi-circle makes her look like she is annoyed at Gumball (again!).

Draw over Carrie's outline with a thick black marker. Rub out the guides and any sketchy lines.

To add colour and give Carrie her 3D look, go over the outline again with pink and blue colours.
