

How to draw:

PENNY

You will need: A pencil, a piece of plain paper, an eraser, black marker pen and colouring pens. You should remember to draw lightly to begin with so you can rub out your rough lines easily.

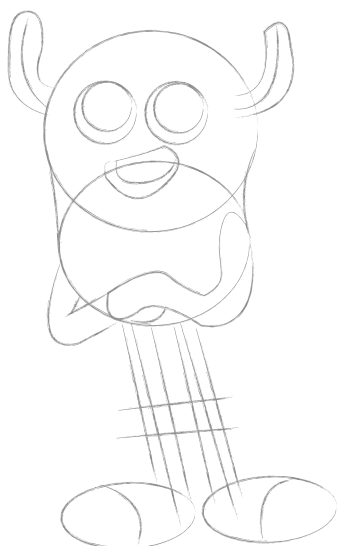

Start by drawing Penny's body. Two circles with two rough leg guide lines coming out of the bottom one.

Add some circles for eyes, and a mouth. Then two squashed circles as feet.

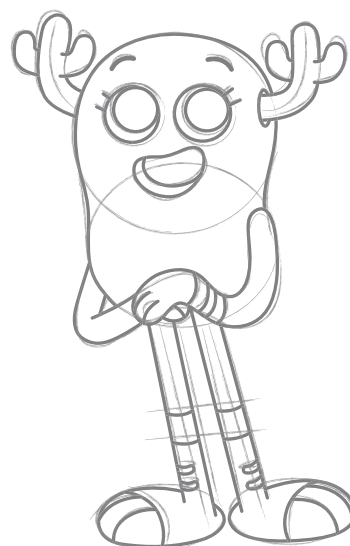

Draw some rough antlers for now, and sausage shaped arms as shown above.

Join the two circles together to make her peanut shaped body. Define her antlers and add the eye and mouth details. Finally include some guidelines for her legs and high top sneakers.

Finish off the antlers and draw her eyelashes and eyebrows. Finish off her sneakers and hand details similar to the picture above.

Draw over Penny's outline with a thick black marker. Rub out the guides and any sketchy lines. Colour her in and you're all set! It's Penny!
