

How to draw:

RICHARD

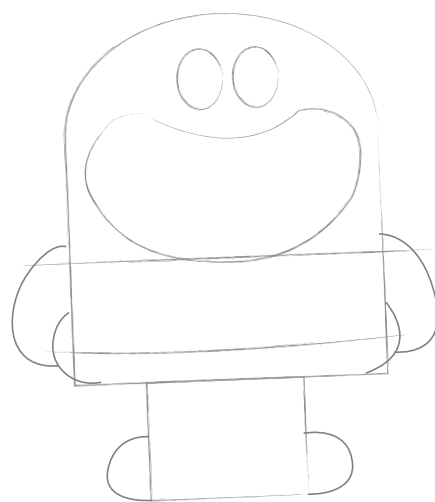

You will need: A pencil, a piece of plain paper, an eraser, black marker pen and colouring pens. You should remember to draw lightly to begin with so you can rub out your rough lines easily.

Start by drawing Richard's body. An ice lolly shape makes a rough outline to start your masterpiece!

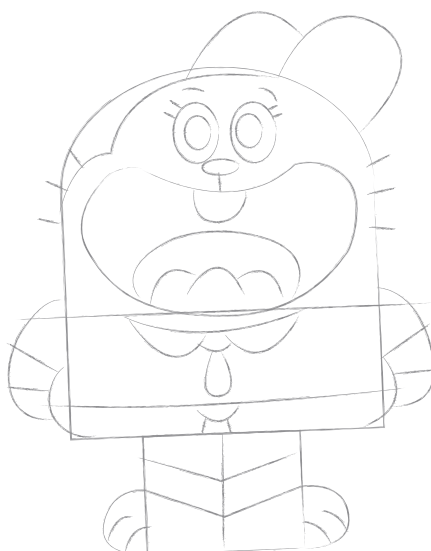

Add some circles for eyes, and a large mouth. Then add two horizontal lines. This will separate the shirt and trousers.

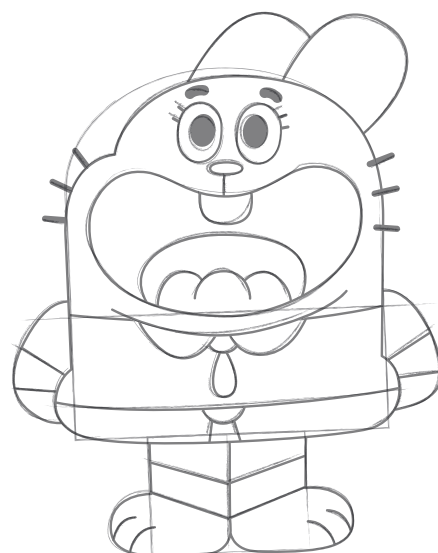

Draw in his arms and feet. Don't forget his hips.

Using the template for the face add the features by drawing in the pupils, nose, teeth and tongue. Add in his ears and define his face.

Draw in Richard's eyelashes, eyebrows and whiskers. Make him look smarter by drawing his collar, tie and trousers.

Draw over Richard's outline with a thick black marker. Rub out the guides and any sketchy lines. Colour him in and you're done! Here's Richard!
