# How to draw:
ANAIS

You will need: A pencil, a piece of plain paper, an eraser, black marker pen and colouring pens. You should remember to draw lightly to begin with so you can rub out your rough lines easily.

Start by drawing a circle, with a squashed circle inside it. This makes the basic shape of Anais' head. Then add a rectangle for the body.

Add some circles for eyes, then nose and mouth outlines as shown above. Two big ears can be added on top.

Draw some guidelines for the arms and legs and a semi-circle for the tail.

Using the template for the face define the features by drawing in the pupils, nose and teeth. Draw circles at the end of the arms for hands.

Using your guides mark out Anais' arms, hands, legs and feet. Draw eyebrows and eyelashes to give Anais a cute expression. Don't forget the dress details.

Draw over Anais' outline with a thick black marker. Rub out the guides and any sketchy lines. Colour her in and Taa Daa, it's Anais!
