GAME BOY ADVANCE

Lakeside Park

The Lakeside Park track was built dangerously close to active volcanoes. Be careful to avoid falling lava rocks along the way.

GAME BOY ADVANCE

To unlock the Special Cup, you must first earn Gold Trophies in all other Cups.

Broken Pier

When you come to the first boost pad, head to the left instead of to the right. You'll find a narrow railroad track which can be used as a shortcut.

GAME BOY ADVANCE

To unlock the Special Cup, you must first earn Gold Trophies in all other Cups.

Bowser Castle 4

There are two forks in the road on this track. Each time, stay to the right. The first right-hand fork will give you a power-up, and the second is a shorter route.

Special Cup

To unlock the Special Cup, you must first earn Gold Trophies in all other Cups.

Rainbow Road

Most portions of this track are edged with white bouncy bars. Use these bars to hop from one section of the track to the next, bypassing doglegs and tight corners.
